

LACESMA

Los Angeles City Elementary Schools Music Association

PROMOTING QUALITY MUSIC EDUCATION SINCE 1941.

LACESMA is the professional organization for LAUSD elementary music teachers. The non-profit 501(c)3 status of the organization allows LACESMA to use donations and membership funds to support our students and teachers in a variety of ways.

Scholarships of \$400 are awarded annually by audition for instrumental music students of LACESMA member teachers. Vocal-general LACESMA member teachers can have students who play piano audition for a scholarship. These scholarships fund lessons with a private teacher. Many of the recipients would otherwise receive only group instruction at school. LACESMA provides performance opportunities for some scholarship winners.

LACESMA also sponsors professional and social events.

- Elementary Music Teachers' Holiday Party—December
- Awards Ceremony to recognize scholarship winners—April
- Annual LACESMA Banquet to recognize retirees and to honor individuals who have made significant contributions to music education in our schools—May

Advocacy: LACESMA communicates with schools, parents and classroom teachers through our music teachers, website - www.lacesmamusiced.org - and Facebook page- Lacesma Lausd. If you join LACESMA on the website without using this form, please send your name and personal email address to lacesmamusiced@gmail.com.

Funds for scholarships and other LACESMA projects come from membership dues and tax-deductible donations. Regular membership is \$50 annually. An additional donation in any amount is welcome. LAUSD employees can use a monthly payroll deduction of \$5/month for annual dues.

You can also honor or memorialize someone by funding a full scholarship for \$400

If you have questions, please contact us: lacesmamusiced@gmail.com.
